2. I understand there is to be no shouting or rude remarks made to any referee or official of any nature. I understand this discredits the entire program. I also understand that failure to adhere to this policy may lead to being prohibited from watching or attending games or scrimmages.
3. Once I have committed to being a member of LUSC, I am to insure my child's presence at training sessions, practices, travel, games, and typical program functions. I understand failure to do this will limit my child's involvement with the program. I understand chronic problems will lead to suspension of any involvement with the program.
4. I understand financial matters of the program must be made in a timely manner. I am aware that Largo United Soccer Club is a non-profit Florida Corporation. I understand my payments of either club fees or those fees assessed each player for the normal operation of the program is due payable upon receipt of said notice. I am aware of the program's policy of "special needs." Upon application to the coordinator, special considerations are possible based on extenuating circumstances. Your commitment as well as your involvement as a parent or guardian is very important.
